MATE for AE

Your AI Agent for After Effects

www.omata.io/mate
Get it here: www.aescripts.com/mate-ae

How to install
The easiest way to install and license is by using the aescripts + aeplugins manager
https://aescripts.com/learn/post/aescripts-aeplugins-manager-app

What is the manager app?
The aescripts + aeplugins is a standalone desktop application for macOS and Windows that allows you to install, update and license all your scripts and plugins.

To install a trial you can select 'Add Trial' from the 'Account' menu.

Alternative
As an alternative, you can install it using the ZXP Installer:
