How to install

The easiest way to install is using aescripts manager app:

https://aescripts.com/learn/aescripts-aeplugins-manager-app/

**To install the plugin without using the manager app,
place the plugin file (.aex for Windows, .plugin for macOS)
in the following folder:**

WIN
C:\Program Files\Adobe\Adobe After Effects <version>\Support Files\Plug-ins

After restarting After Effects, the plugin will be available in the Effects panel.
