

Thank you for purchasing the Master Shape Keys!

You are now the proud owner of this incredible addon. May it help you achieve your goals and increase your efficiency at separating and grouping shape keys.

Feel free to reach out if you're experiencing technical difficulties. Also, don't forget to rate and review your purchase, as that will be most appreciated!

What is the license of this product?

This script is based on the General Public License (GPL). The basis of the GPL license is the freedom for non-restricted use of the said software. Full details can be found in the file '**gpl-license.pdf**' that has been provided.

Nobody should be restricted by the software they use. There are four freedoms that every user has:

- the freedom to use the software for any purpose,
- the freedom to change the software to suit your needs,
- the freedom to share the software with your friends and neighbors, and
- the freedom to share the changes you make

The provided imagery file '**cover.jpg**' is only for personal, non-commercial use. Reupload, redistribution, repackaging or commercial use is prohibited.
